A Message from us!:

We are all looking forward to Family Day coming up on the 20th of February! We hope everyone takes time to spend time with their family and to appreciate how important family is. We know that winter is hanging on but Spring is not that far off and we encourage you to start looking forward to your new look for the new season! We have many books and magazines for you to look through, so feel free to stop in any time! We look forward to seeing you!

New Skin Care Line:

Our Blue Skin Care products are flying off of the shelf and clients are astounded by the results! We know that winter can take a toll on our skin, so we need to make sure we moisturize to keep our skin soft and refreshed. Please keep watching the salon as we will be having a Blue Skin Care Demo Day! This will be the perfect introduction for you to get to know the skin care line, learn about its benefits and see for yourself the difference proper skin maintenance can make in your appearance!

In February:

February has all of us busy here at the salon! We are gearing up for spring and looking forward to all of the changes of the season and the changes our clients will undertake to freshen up for the warmer weather. We know that spring is well on its way, but don't forget that we still have 30% off of any left over Christmas or overstock items including hair care products, skin care products, hair styling tools, nail polishes, bath sponges and makeup kits. Come by and check out these great deals! Most of all we want to wish you all a great Family Day!
